Dear Youth Advocate,

As a leader in our community, you are well aware of the importance of getting a quality education for any student. We all play a critical role in nurturing the next generation of transformation leaders. The Denver Kappa Alpha Psi Scholarship is an achievement-based scholarship awarded to graduating high school seniors each year. There are many outstanding young men in our schools and communities who deserve a chance to be considered for this scholarship opportunity. Students are recognized for their capacity to lead and serve, and their commitment to making a significant impact on their schools and communities.

We believe that, with your assistance, we can continue to identify young men who meet this criterion.

We are the Denver Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. For nearly half a century, our Scholarship Foundation has dedicated itself to providing financial assistance to African-American male students selected by the Denver Alumni Chapter. Over the past 45 years, we have honored over 800 young African-American men at our annual Scholarship and Awards Luncheon. Through these efforts, we have been able to give scholarships totaling over \$1 million dollars.

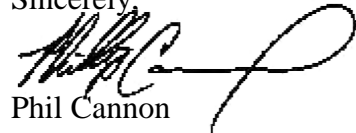

This academic year, we will host our 46th Annual Scholarship Awards Luncheon. The purpose of this luncheon is to recognize the academic achievements of deserving young African-American men who are candidates for graduation from a Denver area High School and who plan to attend an institution of higher learning in the Fall of 2018. We need your help to identify these students.

Please take a moment to share the link to the scholarship application to any deserving young African-American male students whom, you believe will benefit from our assistance. Enclosed is a sample of the application form, which you may make copies of. Please instruct the student that the application (completed online) and supporting documents must be received by January 19, 2018. Questions can be directed to the Civic Action Committee Chairman, Phil Cannon. He can be reached at 303-588-4168 or email at denverkapsischolar@gmail.com. It is imperative that we have all of the information on the application completed. We will only process completed applications.

The deadline for applying is Friday, January 19, 2018**

We thank you in advance for your assistance in helping us meet our fundamental goal of championing the achievements of young African-American men in the Denver metropolitan area. With your help we will continue to provide the tools they need to succeed.

Sincerely,

Phil Cannon

Decision Factors

The following categories will be considered when making a final determination of the 2018 Denver Kappa Alpha Psi scholarship recipients.

Grade Point Average: Though we encourage students with a cumulative G.P.A. of 3.0 or higher to apply for our scholarship, we may consider applications from any student who has demonstrated strong leadership skills and a record of community service. Our objective is to recognize candidates who are well-rounded and demonstrate a strong commitment to academics, leadership, and serving their community.

Leadership Potential: Being a leader can benefit a student not only in high school and college, but also in their professional life. A significant leadership role can make a difference between a decent applicant and a stellar one. Taking on position of responsibility at school, in the community, after school jobs, academic teams or student government are just a few ways to show leadership.

Graduation: The successful candidate must be eligible for graduation from high school in the spring of 2018.

College Admittance: The successful applicant will be accepted for admission to an accredited four-year institution of higher learning or be eligible and awaiting acceptance.

Financial Need: While this scholarship is not based on family income, the applicant's ability to pay for their education may be a consideration.

Interview: Following the initial evaluation process, selected candidates will participate in an interview by scholarship committee members from the Fraternity.
